Re: Visa Immigration Solutions

My name is Marc Gibson the founder of My G Ltd, I founded My G Ltd, an OISC (Office of the Immigration Services Commissioner – F200500168) registered company in 2005.

I provide visa solutions from the UK to private clients who are either overseas or in the UK. I specialize in Entry & Leave to Remain visa applications into the UK. My services are structured to help clients with immigration needs that they may not be able to resolve their immigration needs directly and need support in finding a suitable resolution; my services are designed with both private clients, and UK employers in mind with or without UK employer sponsorship licenses.

My services allow clients to make an informed decision so you are in control, and can make the correct decision on how your Immigration needs should be dealt with and submitted, thus giving you the confidence your application needs are being submitted accurately and correctly whilst giving you the reassurance that all legal compliance obligations have been fulfilled on your behalf.

Our **Services** cover the following areas:

Tier employment routes
EEA nationals & Family routes
All Visitor routes
Family visa routes
Permanent Residence
Citizenship

Our **Consultation Services** include:

- ❖ **Free Assessment Review call** – I provide free initial assessments confirming whether your visa application meets UKVI Core Visa Application procedures. Identify areas of potential concern that would require attention prior to submission.
- ❖ **Visa Checking Service** – This is for anyone who needs to submit a visa application and prefer to do it themselves. This service is very popular with existing long term clients.
- ❖ **Consultations** – I can provide 3rd party assessments and case review of existing complex immigration cases, as well as provide full legal representation on a case by case basis.
- ❖ **Full Representation** – I can provide full legal representation of your case needs, which includes completing your application, submitting and dealing directly with the Home office on your behalf.
