

# World Wide Inspection & Calibration Services

## OUR SERVICES

- ▶ *Third Party Lifting Equipments Inspection*
- ▶ *Repairing, Calibration & Certification*
- ▶ *Hotel / Restaurant Calibration Services*
- ▶ *Oil & Gas Related Instruments*
- ▶ *Rental of Test weights*
- ▶ *Rental of Load Cell*
- ▶ *Supply of Lifting Accessories*
- ▶ *On-site Inspection and Calibration*

## OUR VISION

To become a leader in On shore and Offshore Oil and Gas Fields and Facilities Services, Weights and Measurements Standardization Lab, Vehicles, Equipments and Machinery Testing through quality services, timely performances and efficient and safe operations.

## OUR MISSION

Providing round top class maintenance, repair and overhaul (MRO) services to satisfy all customers by well trained and highly skilled team of technicians that corresponds to recognized environment standard and regulations

## OUR VALUES

Exceeding the customer expectations.

Maintaining a reputation for integrity and excellence service standard.

Honesty & trust are our most valued guiding principles, all our transactions are conducted in an open, honest and transparent manner.

Support all others employees and departments in all work tasks.

Operating in markets with stringent technical requirement.

## ACCREDITATIONS

## We as a sling house

A) Stocking wire rope all sizes and types plus Manufacturing:

### A) Wire Rope Slings:

Range from 8mm up to 52 mm dia wire rope including all the types i.e. fiber core, steel core, galvanized, non rotating and stay wire.

### B) Webbing Slings:

We carry a large stock of raw webbing from C&S Valkenburg Holland We have in house stitching of webbing sling in the length, formation and ply as required by the client including any kind of end fitting that is required like hooks, D and DP fitting etc. We do form single ply to four ply and endless or multi leg also. Plus if some thing specific is required as truck/ car lifting slings, nets and all other variations.

### C) Chain Slings:-

We hold a complete range of chains and accessories like hooks (all types self locking, safety sling, C hooks etc.) connecting links, master link, chain sizes ranging from 6mm to 32 mm lashing chain, grade 80 & grade 100 lifting chain.

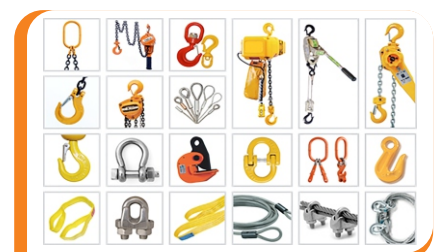

All Products are produced under strict standards of Quality Control adhering to defined procedures, Constant research and development ensures that you are getting the latest products produced with most effective technologies.

### Rigging Gears / Tackles

We are stockiest of shackles, Tackles, Hooks, Chain Blocks Lever Hoists giving the client a choice to have any desired length of chain, Snatch Blocks, Load Binders, Crane Ropes, Regular Ropes, Galvanized Rope, Non-Totating Rope, Fier-Core Rope, Polypropylene Ropes, Manils Rope, Complete Range of lifting Accessories, all types of safety items and supply of building materials.

## Test Weights & Load Cell Rental

We offer the hire of calibrated test weights and load cells to clients throughout the UAE at competitive rates for on-site load testing of cranes, plant and lifting equipment.

- Total stock of over 100 tons test weights
- Individual calibrated test weight start at 20 kg up to 20 tons weights
- Load cells from 5 tons to 100 tons
- Delivery throughout the UAE Competitive rental rates.

## 1. Trainings:

We offer training under supervision of skilled staff for the following programs:

- Operator assessment training,
- Work at height training,
- Lifting supervisor training,
- Rigger & Slings Training,
- Banksman Training,

## Products:

The following summary describes our product/ services we offer to clients. These are categorized according to the equipment and line of work

Laboratory / Workshop Services include: Stickiest and importers of all below mentioned items:

### Electrical Testing Equipment

Repair, service, calibration & certification for electrical instrument.

### Pneumatic Electronic Instruments

Supply, service and calibration of Pressure Temperature, Level and flow instruments. Pressure / Temperature Chart Recorders (Korean Brand) Supply & Calibration.

### Surveying Instruments

Auto levels, Laser Levels, Digital Levels, Digital Theodolites, Total Station, and GPS.

### Mechanical Instruments

Repair, setting, leak testing & certification of safety.

### Valves

Supply of Pressure/ Vacuum Safety Relief valve, Control Valves.

Repairing, testing and calibration of Pneumatic/ Electronic actuators.

### Flow Meters

Supply, Repair, servicing and calibration of flow meter such as turbine, PD, etc.

### Hydro Testing

Flushing, pneumatic testing and leak test of piping, spools and skids

# INSTRUMENTATION & CALIBRATION SERVICES

We are accredited with High Accurate reference instruments which are traceable to National /International Standards and Competitive Skilled Professional Offering you a high quality services for the following three scopes.

- ▶ Pressure Gauge Calibration
- ▶ Temperature Gauge Calibration
- ▶ Electrical Measuring Instruments Calibration

We are offering calibration, Supply and services for instruments such as

## Linear Instruments

- ▶ Vernier Calipers
- ▶ Inside/Outside Micrometers
- ▶ Measuring Tapes/ Scales/Rulers
- ▶ Dial Indicators/ Depth gauges/ Height Gauges
- ▶ Gauge Blocks
- ▶ Fillet/Feeler/Pitch Gauge
- ▶ Protractors/ Angles/ Tri-squares
- ▶ Hol-Test

## Thermal Instruments

- ▶ Digital/ Analog Dial type Thermometers
- ▶ Thermocouples/RTD sensors & transmitters
- ▶ Infra Red Thermometers
- ▶ Temperature Switches
- ▶ Temperature Controllers/ Indicators
- ▶ Climatic Chambers such as ovens / freezers / chillers

## Pneumatic Instruments

- ▶ Digital & Analog Pressure Gauges
- ▶ Pneumo gauges
- ▶ Pressure Indicators/ Transmitters
- ▶ Filters & regulators/ regulator gauges
- ▶ Safety Relief Valves
- ▶ Chart Recorders
- ▶ Control Valves

## Electrical Instruments

- ▶ Digital & Analog Multimeters / Volt meters / Ammeters / Process meters
- ▶ Clamp Meters
- ▶ Oscilloscope
- ▶ LCR Testers
- ▶ Earth Testers / Insulation Testers / Ohmmeters
- ▶ Portable Appliance Testers
- ▶ Capacitance / Resistance / Inductance meters =

## Chemical:

- ▶ Gas detectors / Monitors / Analyzers
- ▶ pH Analyzers / Conductivity Meters / TDS Meters

## Flow:

- ▶ Diesel Flow Meters
- ▶ Electronic/ Analog Flow meters/Transmitters
- ▶ Water Meters

## Other:

- ▶ Torque Wrenches
- ▶ Hydro-test
- ▶ Hydraulic / Pressure Pump
- ▶ Weight Blocks
- ▶ Weighing Balance / Machines / Bridges / Loadcells
- ▶ Compressors / Generators
- ▶ Grinding / Drilling / Cutting Machines
- ▶ Compression / Aggregate impact value / CBR Marshall Machine
- ▶ All other industrial Machineries and tools

# Accreditations, Certification & Approvals

**Bureau of Assessment Services**  
Managing Assurance with Confidence

*Certificate of Registration*

This is to certify that

**World Wide Inspection & Calibration Services**  
P.O. Box: 107344, Plot No. 8, Building No. 3, Office No. 11, Musaffah Saraya M-2, Abu Dhabi, United Arab Emirates.

has been assessed by Bureau of Assessment Services and hereby attests that the organization complies with the requirements of Quality Management System in accordance with

**ISO 9001:2008**  
(Quality Management System)

The Quality Management System is applicable to:
