

**HIGH COURT
ENFORCEMENT
SERVICES**

For many winning a court case is just the first step, all too often the debtor still doesn't pay, this is where Phoenix High Court Enforcement can step in and help.

Backed by our award-winning customer service team and nationwide Enforcement Agents we are able to bring you an unparalleled High Court Enforcement service, which includes state of the art reporting, client access to review cases and unrivalled debtor engagement.

NO AMOUNT TOO LARGE

There is no upper limit on the amount we can recover so, providing the judgment or order is for as little as £600 (Inc. court fees) and no more than 6 years old, for a small court fee of £66 we can transfer your judgment to the High Court for enforcement.

Once we have received your instruction we, with our nominated firm of solicitors, will arrange the transfer up and obtain the writ of control, all of which is a free of charge service.

Should we be unsuccessful in recovering any money then all you will be charged is the compliance fee of £75 plus VAT.

SPEED IN RECOVERY IS CRUCIAL

Once the writ has been sealed and returned we will inform you and as soon as the Notice of Enforcement has expired we will send our Enforcement Agent out to attend within 48 hours.
