

## Our Dental Membership Plan

We strive to provide the best quality dental care to help you achieve optimum oral health; our goal is a lifetime smile with natural teeth. We want our patients to be rewarded.

We offer a membership plan giving the benefit of regular visits whilst spreading the cost across monthly payments, making treatment both affordable and easy to budget for. In return for a nominal monthly payment we provide you with a comprehensive programme of maintenance, prevention and treatment. Our dental plan offers additional benefits exclusive to members, including discounts on cosmetic treatment and dental implants.

Research shows that preventive dentistry delivered on a regular basis greatly reduces the risk of dental disease and provides a platform for a lifetime of improved oral health. We encourage such an approach and with this in mind we have joined with DPAS Limited to design a dental plan to reward loyal patients. This plan will be administered by DPAS who will make a separate arrangement with you to manage your payments under the plan. The plan will provide advantages both to you and to us. It will allow us to plan your dental care more effectively and provide the best chance of keeping you dentally fit. The advantage for you is that it should reduce the need for future treatment and you will have the peace of mind that all of your preventive dental care will be covered by convenient monthly payments. Our plan also provides worldwide Supplementary Insurance for dental emergencies or dental injuries whilst at home or abroad (see overleaf).

### Your benefits

- all your preventive dental care is included
- payment by convenient monthly Direct Debit, allowing you to budget
- guaranteed registration with the practice and continuing access to your dentist
- priority booking in the event of a dental emergency
- access to a 24 hour dental emergency helpline 365 days per year
- worldwide Supplementary Dental Injury and Emergency Insurance (see overleaf).

### Who is our Membership Plan for?

Whether you have had a lot of treatment in the past or not, the scheme is designed for everyone. You are not assessed on the state of your mouth and you do not have to undertake any costly courses of treatment in order to be accepted.

If you want to safeguard your smile and ensure long term oral health you need a preventive programme. Having the regular dental assessments included in this plan could prevent any future problem. Spreading the cost with a monthly Direct Debit makes this plan the simplest way to pay for your preventive oral health programme.

### What does our Membership Plan include?

As a member of our plan, for just £18.50 per month you will benefit from:

- two dental health examinations per year
- two thirty minute hygienist sessions per year including scale and polish and periodontal advice, helping to control plaque, prevent gum disease and keeping your mouth fresh
- 10% discount on all additional treatment
- same day emergency care
- free emergency appointments during surgery hours (excludes treatment)
- membership card with 24 hour helpline numbers for dental emergencies at home or abroad
- worldwide Supplementary Dental Injury and Emergency Insurance (see overleaf).

The monthly plan cost includes the charges for management and administration payable by you to DPAS.

Treatment not covered by this plan can be paid for separately.

### How do you join our plan?

Joining is very simple. All you have to do is complete a registration form for us and a Direct Debit mandate and authorisation form for DPAS.

In addition to your first monthly payment, an initial registration fee of £10 per person will be payable by you to DPAS and will be included in your first Direct Debit payment.

If you choose to leave the plan for any reason you can do so by simply giving us one month's notice.

### What happens in an emergency?

You will have access to a 24 hour, 365 day worldwide dental emergency helpline, which will endeavour to find an English speaking dentist to assist you.

### Any questions?

If you have any questions about our plan, please contact our reception team who will be happy to provide further information and guidance.
