Dhand Steel Traders

www.indiamart.com/dhandsteeltraders

We are the leading Manufacturer, Exporter and Supplier of a wide range of Bright Bars, Metal Bars, Alloy Steel Bright Bars and Special Shaped Bright Bars. Our offered products are manufactured as per the set quality standards.

About Us

Setting up our base in the late 70's, at **Ludhiana (Punjab, India)**, we, "**Dhand Steel Traders**", are successfully recognized as an eminent **manufacturer**, and **supplier** of a broad range of high precision premium quality straightened and aligned **Bright Bars, Metal Bars, Alloy Steel Bright Bars and Special Shaped Bright Bars**. We are the privately owned, progressive and independent producers of bright steel bar. Our complete product array is manufactured under the supervision of skilled professionals using excellent quality basic material along with the test reports. These products are well-recognized for their features like grain free awesome surface and perfectly finished corners (hexagonal bright bar), durability, increased production, high strength, corrosion resistance, dimensional accuracy and fine finish, thereby, decreasing the dependency over skilled labourers. Our product gamut is widely used in various industries like oil & gas, petrochemical, automobile, building construction, electrical & electronics, etc. These products are available in various specifications as per the requirements of clients. Our clients get unexpected wonderful experience in terms of product quality, commitment, cost, delivery and management.

Our team members work in close coordination for achieving the goals of the organization in an efficient manner. Apart from this, our organization has been admired over the year for our flexible, acceptable and adoptable approach towards our customers.

We are a client-centric organization that is why we always give utmost importance for achieving the maximum satisfaction of our esteemed customers. Our professionals maintain cordial relations with the clients to understand their variegated requirements and cater them accordingly. Furthermore, we also follow ethical business policies and maintain transparency in all our business dealings to maintain our highest position in the industry.

We are poised on the path of expansion with an aim to create a leading pan India presence with a new state of art.
