01 FROM THE DESK OF MANAGING DIRECTOR

Mr. Vipin Yadav

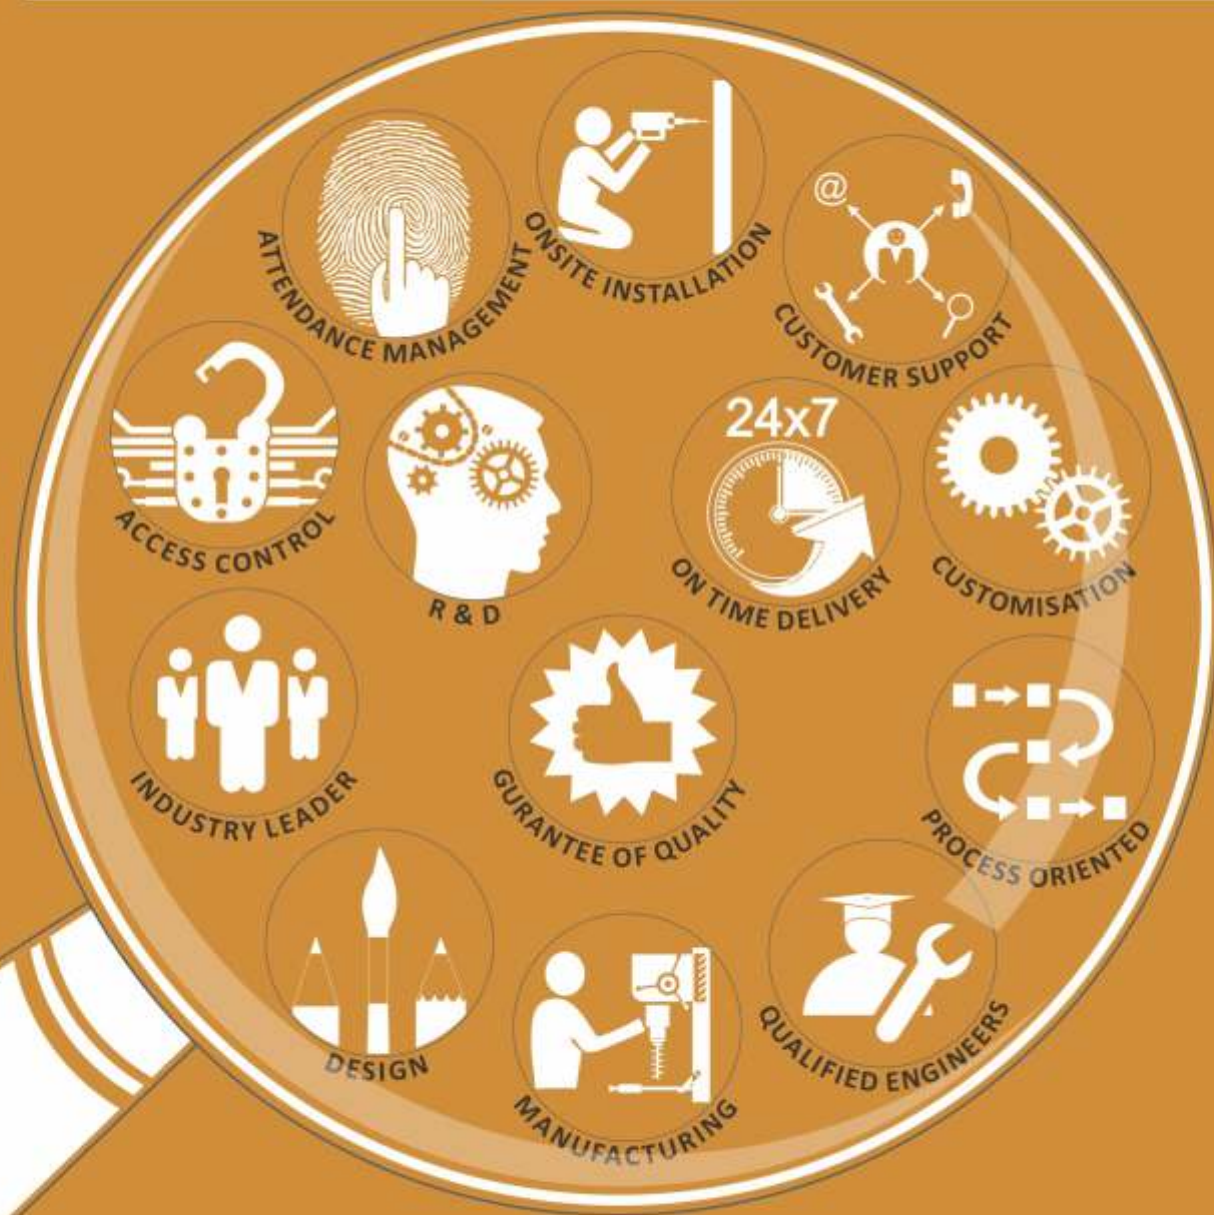

As the **Managing Director** of **Star Link Communication Pvt. Ltd.**, I take immense pleasure in the opportunity to introduce my company in the light of success and position which it has been enjoying since its inception in **1996**.

We are proud to be a consistent leader in manufacturing **Attendance and Access Control Systems** of highest quality. On other hand we are capable of providing ultimate service to our **3000+ clients**. Over 18 years of existence, we have created a benchmark which stands out for credibility, trust, quality and commitment to great service. We have a strong team support of more than **100 engineers** which has enabled us to cater our clients pan India.

We are an **ISO 9001-2008** certified company which follow strict parameters of quality from manufacturing to installation to service & support. We ensure that all our products are designed to meet Indian conditions and work environments.

Through this medium, I would like to convey my deepest gratitude to our valued clients and partners for their faith and support through this momentous journey. I am confident that me and my team will continue offering high quality products and service to our existing and future clients.

We at **Star Link Communication Pvt. Ltd.** have been continuously looking for effective and efficient ways to serve the present and future needs of our clients in the domain of **Attendance Management and Access Control System.** We are standing tall in the market since we have an expertise in every aspect of Biometric Attendance Management System, Access Control Solutions, and Onsite Installations etc.

Our team consist of **100+ Professional** which is a summation of the leadership of top **Management and Technical R&D staff.** The problem solving Sales Team and the round-o-clock availability of installation and **customer service support** team makes us feel more proud.

The dedicated team and work force of Star Link executed many successful projects over a **period of 18 years** and the result is before you, **3000+ satisfied clients.**

एसएमएस मॉड्यूल- एचआर टेक्नोलॉजी में नवीनतम विकास

जयपुर, 9 दिसम्बर (एजेंसी)। कर्मचारी का विलम्ब से आना एक व्यापक समस्या है जिससे उन कर्मचारियों को एक तनाव हो जाता है जहाँ देरी से आने पर पावत्री के नियम हैं। अब तक कर्मचारियों के आगमन हेतु दैनिक आधार पर स्वचालित रूप से अपडेट नहीं किया जाता है। आमतौर पर एचआर सॉफ्टवेयर के बिना अथवा मानवसंसाधन विभाग से सम्पर्क किये बिना इन जानकारी को जुटाना सम्भव नहीं होता था। स्टारलिक कम्प्यूटिकेशन प्राइवेट लिमिटेड एक अग्रणी आईटी सेक्युरिटी सर्विस प्रोवाइडर पब्लिक एंसी कंपनी है जो उपस्थिति(हाजिरी), देर से आने, हाफ डे व मिस पन्च को संभालने का सम्पूर्ण समाधान लेकर आई है. इससे कर्मचारियों एवं संगठन के मध्य पारदर्शिता आयेगी। विश्ववस्तारीय कम्प्यूटराइज्ड एक्सेस बनाए में स्टारलिक कम्प्यूटिकेशन की विशेषता है एवं अटैण्डेन्स रिफ़ाईनिंग बायोमेट्रिक सिस्टम्स में एक नया मील का पत्थर लाते हुए इसके द्वारा एसएमएस मॉड्यूल टेक्नोलॉजी को प्रस्तुत किया गया है ताकि स्टाफ पर नजर रखी जा सके।

Thank You
