

TRADITIONAL FOODS OF OLD DHAKA

TABLE MENU

নান্না বিরিয়ানি

Nanna Biryani is a unique restaurant specialising in classical old dishes from Old Dhaka, now known simply as Dhaka which is the capital city of Bangladesh. Our inspiration is Haji Nanna, a great chef who created delectable dishes using only the freshest ingredients. It is from his inspiration for creating delicious dishes that we opened Nanna Biryani.

In Nanna Biryani, Whitechapel, we believe we have opened a new chapter of history to commemorate Haji Nanna's Biryani and his passion to create perfect dishes. His simple approach to create dishes is deeply admired by us and we hope that this is expressed through the food we serve, both in presentation and flavour.
