We are manufacturers & super wholesalers of all kinds of Nose Pin, Bali & Casting Jewellery. We excel in both Handcrafted as well as Machine-made jewelry across all categories.

Nose pin wholesaler:

Nose pins are a perfect addition to your daily wear jewelry to help you enhance your looks or even create a signature style for you. Due to nose pins being a popular trend these days it is available on most online platforms. What Panjab Jewelry offers you is the newest, trendiest and the original designs which you wouldn't find anywhere else; in the purest of gold. Along with offering exquisite designs and pure quality Panjab Jewelry offer a wide variety of collections for every occasion from daily wear to special occasions.

Gold Nose Pin Manufacturer:

Nose pin designs begin from pearl or beaded shape, geometric shapes such as circular, square, hexagonal to floral design, Ganesha or other India traditional shapes such as mandalas. Along with our nose pins being hallmark certified we also feature studded, Swarovski or Kundan work in in our state of the arc original designs and artistry. A quick update on our nose pin designs is that they are no longer operated by screws like the conventional nose pins are. This enables easy wearability and removal of the nose pins.
