

SCANDIC OIL
PURE CBD OIL

5 THINGS YOU SHOULD KNOW BEFORE YOU BUY CBD OIL ONLINE

WHAT IS CBD

CBD is an effective and active essence from the marijuana and hemp plant *Cannabis sativa L.*

HOW CBD HELPS IN SKIN CARE

The composition of CBD facial oil is made up of 100% natural organic active components that provide vitamins and vitality to your skin.

IS CBD LEGAL OR ILLEGAL

A less-concentrated amount of the oil is available to buy and it is legal in UK - but products must contain less than 0.05 percent THC.

SIDE EFFECTS OF THE CBD

Some reported side effects of cannabidiol include dry mouth, low blood pressure, light headedness, and drowsiness. Signs of liver injury have also been reported in some patients, but this is less common.

CBD HELPS IN STRESS

CBD oil is derived from cannabis plants and the Marijuana plants which suppresses stress releasing hormone
