What TO Expect

BEFORE YOUR SESSION

Babies are unpredictable! So we make things as easy as possible for you.

We only book a limited number of newborn sessions each month.

All we need is your due date and your £85 session fee to get you booked into the studio diary.

Once baby arrives you access our calendar and choose the date for your session to take place.

Easy!

DURING YOUR SESSION

Baby is Boss in the Beautiful Bairns studio!
Sessions are entirely baby led with plenty of time for feeds, cuddles and clean ups!
We will chat over a cuppa and choose the perfect colour palette for your images so they look beautiful when on display in your home.
Then you can sit back, relax and watch as I get baby relaxed into a deep sleep and perfectly posed.

AFTER YOUR SESSION

We will schedule your viewing & ordering appointment to take place around a week after your photoshoot.
All of your images will be expertly retouched for viewing and displayed in a slideshow.
We will work together to create the perfect package to suit your home and budget.
Your digital images will be ready to take home on the day.
Printed products will be shipped directly to your home or if you prefer we can have them delivered to the studio for you to collect at your convenience.

WHAT SHOULD BABY WEAR?

At the studio I have a huge selection of beautiful fabrics,
hats, headbands, wraps and props.

For most images baby will be naked so there is no need to bring any clothing.

If you prefer for baby to be covered we can do so using beautiful fabrics.

This way you can still see how small and delicate baby is
without being swamped by baggy clothing.
