What is NSN

- **National Stock Number (NSN)** as it is known in the US, is a **13-digit numeric code**, identifying all the 'standardized material items of supply' recognized by all NATO countries including United States Department of Defense.
- **Federal Supply Group (FSG)** (digits 1 & 2)
- **Federal Supply Class (FSC)** (digits 1, 2, 3 & 4)
- **NIIN** is the invariable part of the NSN, and it remains associated with the item of supply concept throughout its life cycle.
