COMPANY PROFILE

Your trust, our success

Hanpak Joint Stock Company established in Hanoi, Vietnam is specialized in producing plastic packaging to export.

All production and business activities follow our business philosophy “Your trust, Our success”. Therefore, Hanpak prides to be one of the most prestigious private enterprises in Vietnam in plastic packaging supply.

We commit to excellence from smallest details, create a solid foundation of a powerful, sustainable and high valued enterprise both in domestic and foreign.

Besides, Hanpak’s team is built by elite members. Thus, we always understand import markets and try best to meet the wishes as well as demand of customers perfectly.

With more than 20-year experience and high professional qualification in plastic packaging, we believed to bring customers good quality products, reasonable price policies and professional customer services.

Our Vision

Become the most prestigious plastic packaging supplier in Vietnam.

Our Mission

Bring high quality products with competitive prices and professional services to customers.

WHY CHOOSE US?

“Your trust - Our success” is HANPAK business philosophy.

Therefore, we focus on professionalizing, coordinating and managing all activities to achieve customer’s requirements.

DIRECTOR’S MESSAGE

Dear valued customers,

Hanpak Joint Stock Company really appreciate to become your strategic partner in plastic packaging.

We always make a great effort to understand all customers’ requirements as well as consult best solutions.

We commit to bring high quality products, professional customer services and competitive price beyond customers’ expectation because we find that your trust is our success.

Thank you for your belief in our company and we hope to build a stability win-win and long term business cooperation.

Yours faithfully,

Dang Chi Nhu Quynh - Director
