METAL LOCKERS

With many years of experience as a locker manufacturer, supplier and installer, we have developed and refined our metal lockers range based on the requirements and feedback from thousands of customers.

We have various different styles to choose from with colour and lock choice also available. Helmsman can offer suitability for the Emergency Services, Schools and even the busiest of factories. We deliver not only the best products but also technical knowledge due to our involvement in the manufacturing process.

Helmsman have the perfect storage solutions to suit your sector and can provide a quote for any bespoke requirements you need accommodating.

VEDETTE LOCKERS

Helmsman System 1300 Locker offers secure storage for one to six users. They are available in a wide choice of widths, depths and colours to match storage and space requirements.

Height	Width	Depth
1775mm	300mm	300mm
1775mm	300mm	450mm
1775mm	380mm	450mm
1775mm	450mm	450mm

TWIN & BIG TWIN

TWIN LOCKER

The Twin Locker provides storage for two users. Each user has access to an individual full width upper compartment, and a half width tall compartment for hanging garments. Each user's two compartments are operated by the same key.

Height **Width** **Depth**
1775mm x 380mm x 300mm
1775mm x 380mm x 450mm

BIG TWIN

The Big Twin uses its increased height to provide even more space for each user within the upper compartments.

Height **Width** **Depth**
1945mm x 380mm x 450mm

MODULAR

Cube lockers that offer total flexibility and design freedom. Helmsman Modular Lockers can be assembled in numerous configurations.

Available in two sizes with optional plinth, these lockers are easily installed to make maximum use of available space. Nuts and bolts are supplied for connecting the lockers together or onto plinths.

Height	Width	Depth
340mm	300mm	300mm
340mm	380mm	380mm

Z SHAPE

The Z shape locker provides storage for two users. They are available in a wide choice of widths, depths and colours to match storage and space requirements. Other sizes available on request.

Height	Width	Depth
1775mm	300mm	450mm
1775mm	380mm	450mm
1775mm	450mm	450mm

MINI MINDER

The Mini Minder is the perfect solution if you need to store small personal valuables, such as mobile phones, keys, cameras etc.

The Mini Minder Locker is available as charging and non-charging.

Charging options: 13 amp or 11 amp socket with two USB ports at extra cost.

Charging elements will increase the depth to 230mm.

Height **Width** **Depth**
970mm x 600mm x 200mm
12 compartment

1190mm x 800mm x 200mm
20 compartment

1626mm x 800mm x 200mm
28 compartment

1845mm x 1000mm x 200mm
40 compartment
