COVID-19 Safety Announcement:

We are only hiring hot tubs from Thursday to Monday.

We are now providing a contactless hot tub hire and delivery service throughout the North East! You can enjoy everything needed for a fun party or event and stay safe too with Good Time Hot Tubs.

Please note the following additional information and requirements:

- Please do not make an order if you have any symptoms of COVID-19, and please let us know if you fall ill before the date of hire.
- To enable social distancing, you must stay indoors when our team arrive to deliver and collect the hot tub. We must be able to access the garden without going through your home.
- We are only providing hot tub hire to secure private gardens that are not accessible by the public. This is to avoid promoting public gatherings.
- Therefore, we are only supplying hot tub hire for private parties involving members of the hirers' household.
