# Our services

## 01 Manufacture

J Manny supply bespoke manufactured doors from our Caerphilly based head office in South Wales.

Utilising our dedicated in house design team, our staff can assist you with a wide variety of projects including Automatic Door Systems, Industrial & Retail Roller Shutters and Access Control Services.

J Manny are also diamond partners to Record Automatic Doors, ensuring our entrance solutions are the very best possible in the market.

## 02 Installation

With over 150 years experience within our team and constant product training J Manny are ahead in our field.

Our Installation and Service Technicians are trained to EN16005-BS7036 standards, & all our technicians hold current CSCS cards.

J Manny offers a 24 month warranty on all installations, with a dedicated pre-sales and after-sales support team.

## 03 Maintenance & Service

J Manny We offer a preventative maintenance contract to suit your individual site specific requirements, wether it be 2,3 or 4 visits per year offering piece of mind knowing the doors are being looked after.

Benefits of our preventative maintenance contract include:

Full Service to doors to BS7036-EN16006 standard, Approved 24 hour emergency / 4 hour response call out service / 365 days a year.,

- Automatic Doors
- Roller Shutters
- Access Control
- Automatic Gates

## 01 Automatic Door Systems

At J Manny our Automatic Doors can be adapted to any installation. This ensures that we can provide an easy, trouble-free installation at the premises; regardless of your requirements.

J Manny Ltd strive to deliver a tailor made design that is complete on time, every time, including Automatic Sliding, Swinging, & Folding Door Systems

## 02 Industrial / Retail Shutters

J Manny industrial doors have been installed for a wide variety of applications from industrial and retail units to fire stations and airports.

These doors are typically finished with Galvanised steel as standard but these industrial doors are also available in a range of polyester powder coat colours and available in both Electric and Manual options.

## 03 Access Control

Access Control solution for visitors, staff, & contractors. Doors, gates, fobs, & cards. Our product range puts you in control of who is on site, where they can access, & at what times.

Access Control supplied and installed by us can be used in conjunction with our other automated entrance solutions, such as Automatic & Industrial Doors.
