ABOUT US

Here at MFS we have an excellent understanding of the furniture industry and the necessity for innovation and creativity. We source an extensive collection of contemporary and unique designs from the leading manufacturers globally and are firmly established throughout the UK, Ireland and North Africa. Our superior customer service coupled with our knowledge and understanding of the market trends and the convenience of working with a UK based sourcing company, has demonstrated a rapid growth that has enabled us to extend our services across Europe.

MFS is more than the sum of products – It is the experience that promises to deliver extraordinary customer satisfaction.
