

Bullion The safest option of all

If you're interested in finding the
safest place to buy and store wealth,
look no further than precious metals

House prices can fall, fiat currencies can fluctuate significantly, but gold and silver will always be a universally recognised store of value. We partner with the global market leader to allow you to buy and sell gold and silver bullion at some of the most competitive prices in Australia. Importantly, we can immediately store your bullion in your safe deposit box so you never need to face the risks associated with transporting it.

Peace of mind protection for your valuables

Have you ever asked yourself how secure your most precious items really are?

No one likes to think about it, but things can go wrong, and when they do many people find that cherished item, the one worth more than any insurance payout, is gone forever. With a safe deposit box from Private Vaults Australia, you'll never have to worry again.

Our world-class Redcliffe facility offers round-the-clock protection 365 days a year using state of the art equipment and our safety deposit boxes come with three layers of security. Whatever it is that's important to you, we'll keep it safe.
