

# Best HR and Payroll Software In Singapore

No. 1 Software for HR and Payroll

# ASIA'S TOP HUMAN RESOURCE MANAGEMENT SOFTWARE

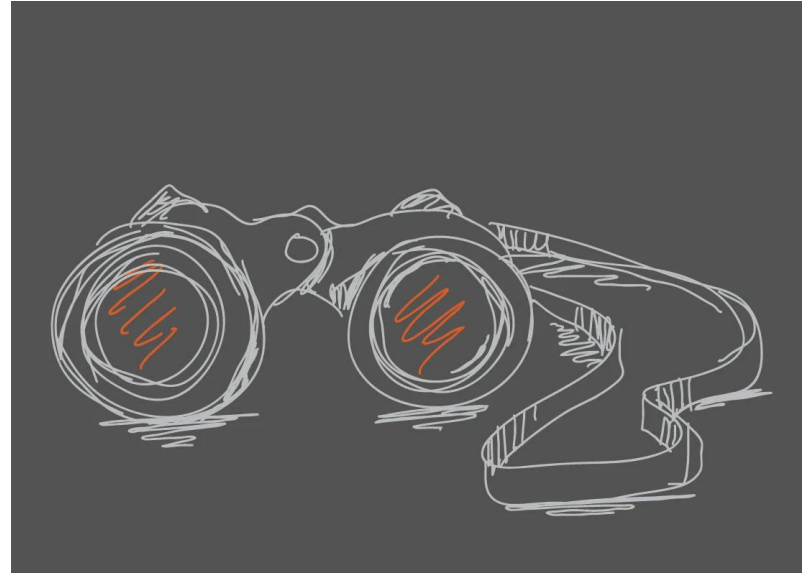

**One of the Best HR Software In Singapore**

# ABOUT US

## OUR VISION

To be the global solution of choice for the next generation agile workforce.

# OUR MISSION

**Democratizing System:** Ensuring a cost-effective and robust integrated management system available for businesses of all sizes in the global market.

**Empowering Workforce:** Allowing staff to actively participate and be engaged in real-time operational needs, understanding mindsets, enabling development, and creating productive outcomes.

**Enable Agility:** Enabling businesses to adapt quickly and to scale. Driving integrated workflow and intelligent decision-making through [data-driven](#) analytics.

# OUR JOURNEY

**In early 2013, Enable Business took on the revolutionary idea of replacing traditional server-based Human Resource Management Software (HRM) with HRM in the cloud, making it accessible anytime from anywhere. QuickHR was developed to make this idea a reality.**

**Dealing with HR issues can be both a hassle and a struggle. In addition, these problems are further compounded by an ever-evolving technological landscape. That's why since our inception, we've always believed that doing well as a business means being adaptable to change and that HR as a whole, should be robust, effective, yet simple. We believe in committing our time, equity, and solutions to help our clients navigate through the ever-evolving technological landscape by covering all aspects of human asset management, workforce management and human capital development.**

# OUR JOURNEY

**As a testament to our effectiveness, QuickHR's end-to-end solutions have already extended the power of cutting-edge cloud-based technology to over 2,387 companies and 95,480 users daily.**

**We know that being technologically adaptable is required for businesses just to function in this fast-paced digitalised environment. With our quality products being ISO 27001:2013 and ISO 9001:2015 certified as well as being Multi-Tiered Cloud Security Standard MTCS SS584:2015 certified, you can be assured that our success is your success. So don't wait any longer and join us today!**
