Waste Management Brochure

ABOUT OUR COMPANY

Helping Reduce Waste and Protect Our Environment

We are a Blackburn based company established in 2005 specialising in providing a flexible and reliable waste management service to businesses throughout the Lancashire area.

We work with both large and small businesses as well as Local Authorities to provide cost effective solutions for all types of waste management needs.

Our services are available seven days a week. We can arrange morning and/or evening collections depending on your requirements.

Regular collections of your waste can also be provided by arrangement.

We are a specialist Plastic Recycling Company Recycling in line with Local, National and European directives.

Waste Management

**We Recycle all types
off Plastic**

**We Remove all types
of Waste**

WHO DO WE WORK FOR?

Local Authority

We provide various services for Local Authorities from waste collection to abandoned vehicle recovery and more. We work closely with our clients to help reduce and clear waste from the local environment, and where possible recycle that waste so that it is no longer has a huge negative impact on the natural environment.

Our client list includes Blackburn with Darwen Borough Council, who we work closely with on a daily basis.

Retail & Commercial

We regularly carry out collections on behalf of waste management companies, landlords, estate agents, schools, building contractors, housing associations, retailers, leisure companies and other small businesses.

Industrial

21st Century Group Services LTD offers a robust Waste Management solution that compliments the needs of your business. We take on board the complexities of our clients and put forward proposals that show clear cost savings together with advice and training to accommodate your requirements.

Car Dealerships and Garages

We operate a scrap car collection service and will collect your vehicle from anywhere in the North West. We can collect your scrap car from your home, garage, place of work or the side of the road and you can be confident that it will be scrapped legally, in a safe and environmentally friendly way in line with the 2003 regulations.

1. PLASTIC RECYCLING : High-density polyethylene (HDPE) and Polypropylene (PP)

Our mandate is to improve the local environment by helping Commercial Organisations and Local Authorities by providing an efficient plastic recycling service in the Lancashire area.

We offer an exceptional service from collection of waste plastic to environmentally friendly plastic recycling in line with Local, National and European directives.

Our Facility is State of the Art, and we can Recycle :

- Industrial Containers and Drums
- Tubing and Piping
- Wheelie Bins
- Plastic Building Materials
- Detergent Bottles
- Water Jugs
- Plastic Crates
- Plastic Furniture

For Commercial and Industrial Customers we offer a free Collection Service, along with competitive payments for large quantities (tonnage).

Please contact us to discuss your needs and requirements further.

2.WASTE MANAGEMENT : Let your Refuse and Waste be our Responsibility.

At a time when private and public sector organisations face increasing demands for the way they manage waste, there has never been a greater need for effective, safe and efficient waste management and recycling services.

We regularly carry out collections on behalf of Waste Management Companies, Landlords, Estate Agents, Schools, Building Contractors, Housing Associations and more.

We specialise in the removal and disposal of:

- General Waste
- House, Garden & Yard Waste
- Fly Tipping Waste
- Decommissioned & Empty Premises Waste
- Industrial & Commercial Plastic Waste

We also have Litter Picking Crews for waste collection from:

- Public Parks & Areas
- Streets & Alleyways
- Public Events and Concerts
- Areas of Natural Beauty
- Motorway/Dual Carriageway/Road

3. VEHICLE SERVICES : Recovery, Storage and Legal Scrappage

We have fully equipped Recovery Vehicles that can recover an abandoned or broken down vehicle from most roads and motorways in Lancashire.

Abandoned Vehicle Recovery

For Local Authorities we can remove Abandoned, Vandalised or Burt Out Vehicles from Public Roads and store them in our Secure Gated Compound until the Vehicle is collected by the owner, or we can legally scrap the vehicle in accordance with DVLA regulations.

Secure Vehicle Storage

We offer short, medium or long term solutions. Your vehicle will be stored in a safe, secure environment.

Legal Vehicle Scrappage

We operate a scrap car collection service and will collect your vehicle from anywhere in the North West. We can collect your scrap car from your home, garage, place of work or the side of the road and you can be confident that it will be scrapped legally, in line with the 2003 regulations.
