Below you will see a table listing the dental fees for some of the most commonly needed dental treatments we provide at Bayswater Dental Clinic.

### HOW DO WE SET-UP OUR DENTAL FEES?

The fees in our clinic are based on some simple and transparent criteria which include these factors:

- Experience and skills of the person providing the treatment.
- Complexity and type of the treatment provided.
- Length of time is needed to complete a treatment.
- Quality of the material used and the equipment needed.
- The quality of the dental Labs used and technical skills.

At Bayswater Dental Clinic we have a very experienced and competent [team of dentists](#) that only use the very
