TESTIMONIALS

"On behalf of all of us we would like to thank you for organising a fantastic trip, which we all truly enjoyed. We saw so much, experienced the culture, kindness,

food and so much more than we ever expected. From start to finish well organised, so informative and professional all the way through the trip, what a lovely country!"

**Jane Cruder
& friends.**

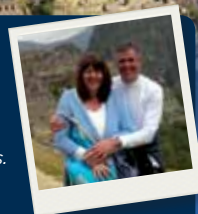

"We had a fantastic adventure that we will always remember and we would recommend Go Andes to anyone thinking of visiting the area. Your addition of Bolivia really made the trip for us - I wouldn't have known about this without your company and we were bowled over by the scenery both on the Salar and in the Altiplano. It was a truly great trip which we will never forget."

Olga and Tony Hammock.

"Thank you for organising the perfect trip for us, it went perfectly. If we take another South America holiday we would use Go Andes to organise it for us. Thanks again."

Mr Clive Millward.

"I was attracted to Go Andes by a website that gave confidence in their ability to deliver. This was subsequently supported by execution of a seamless and fantastic adventure in Peru. Overall the experience and holiday were fantastic, and the organisation of tours etc was exemplary. Everything went really well and could not have been better! In retrospect my only issue would be that the advice given before my holiday did not quite prepare me for the amazing experience we had!"

Mr Christopher Proudfoot.
