Chiropractic Care for Work-Related Injuries

If you have been involved in a work-related accident and are now experiencing lower back pain or neck pain then Chiropractor, Dr. David Maklan can help.

At Deerfield Injury Center, we specifically deal with these type of injuries, and are able to offer a variety of treatments including chiropractic care, massage therapy, physical therapy, and exercise rehab.

Chiropractic care is the number one alternative to medical care when dealing with lower back pain and/or neck pain after a work-related injury. We can offer a natural and drug free, hands on approach to treatment for your injuries.

Because Deerfield Injury Center specializes in dealing with work-related injuries we know how to work with your employer and their insurance company, and consider it part of our job to make sure you get the care you need without any out of pocket costs.

We urge you to consult with a health professional if you have been experiencing any of the following symptoms after a work-related accident:

- Lower back or neck muscle spasms
- Lower back or neck pain or stiffness
- Pain or tightening of muscles in-between the shoulders or neck
- Feeling of pain or numbness in the feet, legs, hands or arms
- Abnormal fatigue or dizziness in the morning
- Recurring headaches or migraines

If you have been involved in a work-related accident and live in the Deerfield Beach area please do not hesitate to call chiropractor, Dr. Maklan today. We specialize in chiropractic care for injuries from to work-related accidents and have an entire staff of friendly individuals waiting to help you recover.
