

FIESTA

fiestamexican.com.au

It is our mission to serve healthy, wholesome and tasty food. We only use high quality cottonseed oil and only lean cuts of meat.

We use minimal amounts of salt and creams without compromising the essence of flavours or recipes - as we all eat here too!

Each year we donate to mision Mexico which is a homeless children shelter in Tapachula Chiapas, from Fiesta which you as a customer contribute, so thank you!
If you wish to further donate please go to www.lovelifehope.com
