

Port Noarlunga Bowen

Bowen Therapy is a holistic and multidimensional approach to pain relief and healing that has achieved profound healing and pain relief outcomes over the past 50 years.

Bowen Therapy treats the whole body through light clothing, and its holistic effects are apparent in patients who find resolutions to problems above and beyond those for which they have sought treatment, for example lack of energy, stress or emotional issues. Bowen is beneficial for :

- *Active sportspeople who will benefit in shorter recovery times following acute injury,*
- *Those with chronic ailments can benefit from greater mobility, flexibility and quality of life.*
- *Anyone can enjoy the relaxation and calmness a holistic Bowen Therapy Body Balancing Treatment can provide.* By appointment only:
