HR Benefits Video Library - Annual Licensing for Benefits Enrollment

For employee benefits education and enrollment, license our professionally produced HR benefits education videos that clearly and concisely explain a range of common topics like HMO, PPO, HSA, FSA, FMLA, PTO and more. These informative videos are typically around 1 minute in length and include two actors and text call outs to keep employees engaged. Videos can be easily embedded into enrollment software and employer websites with the included video hosting and tracking software.
