A2z Canopies School Canopies

A2z Multi-use Canopies allow for greater flexibility for schools to provide shelter in playgrounds to providing waiting areas for parents to control school access.

Our Service will provide you with clear guidance on the best solution for your school, so contact us for more information.

 **Play safe in the shade**
A2z Canopies provide an outdoor shaded space for children to play out of the rain and give a place to spend time out of the sun

 **Educational break-out space**
Our Cantilever Canopies are great for outdoor educational activities such as art and science experiments

 **Parent Waiting Areas**
Improve school security and provide a Canopy for parents to shelter while waiting to pick up their children.

 **Bike Shelters**
One of the uses we have designed, supplied and installed is to help provide cover for bicycles

 **Storage Canopy**
Cover storage areas to prevent water and waste contamination. Optional side-sheets to provide additional protection

 **Waste Cover**
Cover waste areas to prevent contamination of water and attracting seagulls/birds.

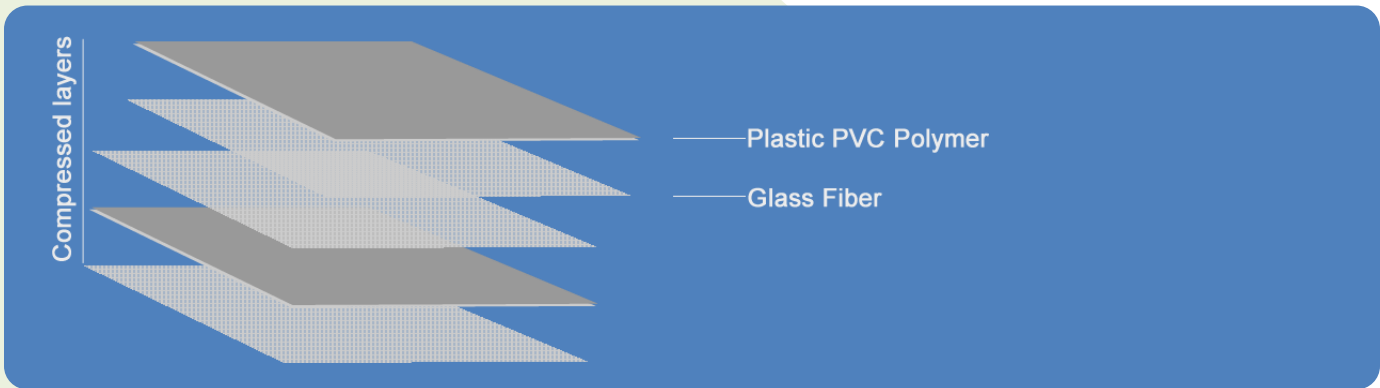

“

The Canopies transformed our outdoor play area allowing for more outdoor activities
