Our Story

At ECO Lighting Supplies we aim to offer Australia's leading edge lighting products. Utilising cutting edge technology to ensure our products are unmatched in the industry for energy efficiency without compromising quality of build and light delivery.

Each light is made to full SAA certification and is made with the highest quality material. This is also backed up with a full 5 year replacement warranty on 100% of our product range.

Help the environment. Reduce your carbon footprint and start saving money today.

Item Number	Product Description	Power	LED	Lumen	Base/Voltage
