# MARQUEES

## STYLES

### Pagoda Marquees

The sleek modern look of a Pagoda Marquee lends a professional edge to any event. Pagodas come in 3m x 3m, 4.5m x 4.5m and 6m x 6m modules that can be joined to create larger spaces or interesting shapes. Rated for winds up to 140 kp/h.

### Clearspan Structure

Clearspan Structures are the ultimate modular marquee solution. Start with a 4m, 6m, 10m, 15m or 20m width and simply extend in 3m or 5m bays. These structures are used all around Melbourne for a variety of event types and are rated to winds up to 95kp/h.

### Steel Frame Marquees

Steel Frame Marquees are a cost effective solution for outdoor event needs. They're versatile and flexible, making them ideal for tight back yards and spaces. These marquees are compatible with silk lining and a variety of lighting options to give your event an elegant touch.

## THEMES

### Weddings

A wedding marquee provides an elegant venue for a location that you just can't pass up. We can provide a range of options from a budget back yard wedding marquee right through to a lavish silk lined, professionally floored and lit temporary venue.

### Corporate

At Harts your brand is safe with our quality marquee and equipment solutions. Corporate events especially need to excel to leave their guests with a lasting favourable impression. We'll help you to create the ideal event space for your function.

### Warehousing

Temporary structures are a great way to store excess stock or cover a work site. We've found businesses all over Melbourne love having the versatility of a warehouse they can have installed or removed quickly and efficiently. Marquees can be truck and forklift accessible.
