

A la carte

## Welcome to Atlas Restaurant

Atlas Restaurant brings the world to you, with a tantalizing array of flavour, texture and cooking styles incorporating international cuisine, supporting local produce.

Our seasonal menus include dishes with organic or gluten free combinations and healthy choice items to assist our diners on-going well being.

Our team continually updates our fresh seafood lists to ensure we don't use or support endangered fish stocks, and use only New Zealand bred fresh beef, lamb and free range pork for our a la carte dining.

It's all part of taking care of you as our guest, and playing a proactive role in the community we live in.
