

## Photography Price List 2015

### Photography

is charged at £500 per day (not inc. post production) a day is from 9am to 5pm, though I am happy to carry on till 6pm in most cases at no extra charge. Overtime (as necessary) is negotiable. Photography can be charged at £60 per hr (not inc. post production). If a shoot continues past 6 hrs then the full day rate is applied regardless, though I am flexible here if necessary.

### Post production

is charged at £15 per hr (this can be uploading files to Lightroom, manipulation of files to proper standard, exporting of files in a format of your choosing, final corrections and manipulations in Photoshop, ie, cutouts, vertical corrections, cloning & healing, etc). Files can be supplied to you in any format of your choosing...PSDs, Tiffs, Layered Tiffs, Jpegs, etc. Please make this clear at the time of commissioning a job.

### HD video

filming is charged as above (post production will be down to you or the client unless you really want me to take a look at this).

### Travelling

is charged at .38p per mile in all cases.

### Travel time

is free for the first hour and then £15 per hr thereafter, again I am flexible here. Routes to and from any work is down to my discretion on the day.
