We are always expanding our range

and happy to acquire items just for you!

Many more items available soon including

net lights, tea lights, chase lights, curtain lights, waterfall lights, glitter balls etc

event decorations (non electric) Plus a great range of wedding and

get creative and talk to us!

Is an electrician needed?

NOT normally!

We can install electrics to BS 7909 and Bs 7671

Most of our installations are small and temporary

but if obtaining power by opening up a household fuse box,

then an electrician is required. We can supply the necessary kit.

The same may apply if using large generators.

gls warm white 15w

a touch brighter than led, use more power though and
much more fragile.

clear gls.

create vintage look.
