(lots of photos uploaded to facebook albums)

Capacities are dependent

on final use and other items.

Especially the comfort factor required!

nb; dimensions rounded to nearest sensible size!

Most Tents Made in the UK!  
By MUTA Member Companies.

## Tent Number ONE;

Available in two set up styles.

This first listed tent was our original acquired in 2002,  
given a new PVC cover and walls 2007

## "DOT" ... Our Baby!

**11m / 35 ft dia. Small Round Tent**

Central king pole full height 6.1m/20ft

Roof apex 5.5m. Wall height 2.1m/7 ft

King pole can be square truss or round aluminium.

1-3 days

£800.00

1 week

£1,000.00

extra week

£500.00

"Dot" uses the round ends;

add a rectangular mid section and an extra pole and ridge bar and you have "Dorothy".

## "DOROTHY" ... Our Cute Little Circus Tent.

**17 x 11m / 55ft x 35ft** with FULL size of;

**17 x 15m / 55ft x 50ft including** foyers

Height 6.1m /20ft, outer, 5.5m/ 17ft inner.

Twin steel square truss king poles and ridge bar

1-3 days

£1,300.00

1 week

£1,600.00

extra week

£800.00

**This tent is suitable for Trapeze & other Aerial acts.**

(Lifting equipment is tested and certificated)

This tent has 2 integral entrance foyers/seating/ stage extensions,

one is approx 3x 6m, the other 1.5 x 6m

It can be set up either way around according to preference

We also use this tent for our in house circus shows and performances  
though we can present non-aerial shows in all of the others too.

medieval tents mostly 3x3m..many colours available  
special requests require notice.

## Marquee Hire Ancillary Equipment;

### FLOORING

Various Options including; **Plain Grass!**(cheapest!)

**Circus Ring Mats / Carpet / Marquee Matting / a Mixture / fake grasses**

The type needed depends on event requirements / final use and existing surface.

Installation / removal / clean up, especially days of jet washing & drying, is labour intensive.

To aid damp proofing; carpets and matting are laid on ground sheet & nailed though into the ground (note that in inclement weather or on saturated ground, seepage can occur)

The natural choice; traditional, warm and acceptable in most situations.

**Coconut Matting colour RED.** ( light brown available too)

**Marquee Matting;** Modern "Dandy Dura" Tm. In **NATURAL FLECK COLOUR.**(light brown)

**Carpet;** mostly anthracite grey used. But many colours available.  
**Red carpet** effects happily done.

**Wooden Floor** (normally covered with Carpet)

This is the most time consuming method and most expensive.

Prices upon application.

other styles solid flooring available.

### Swags, Linings, Decor

Full Linings not normally needed.

But creative decor can be very nice and thematic

Red velvet with gold braid large curved valences  
Burgundy small valences, curtains, walls.

IFR fabrics for over-lays, drapes, pole coverings

all materials inherently fireproof and tested to BS5867

prices tbc depending on job.

### Dance floors

Ours is currently a black and white one, new 2011

5x5 m or 4x4 m

16 x 16 ft or 12 x 12 ft

Cleaned and polished each time.

half a tonne in weight!

Hired alone £350.00

With a tent £300.00

smaller size £250

with a tent £200

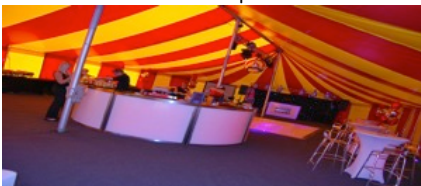

natural red coconut matting

coconut matting in natural brown colour available too or washable Dandy Dura as below

Anthracite Carpet.

red coconut matting makes a fine red carpet too!

Coconut Matting;  
best kept dry.

each roll of coconut matting is  
6.09 x 1.8m overlapped.

"Dandy Dura" Marquee Matting. Polypropylene (Natural Fleck colour) lengths 6m, 9m & 12m, each 1.8m wide.  
Jet washed to clean. Takes a lot of work!!

If you prefer **CARPET**..we use

**Marquee Cord /Exhibition style thin carpet**

**Costs approx £2 per sqm when new required.**

**Large colour & style range. & is cut to fit the shape of tents.**

**Pre-used often available/condition variable**

It is technically fully Recyclable. Due to partying; only sometimes reusable!

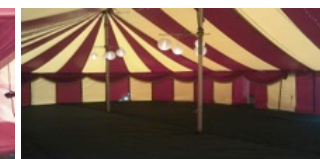

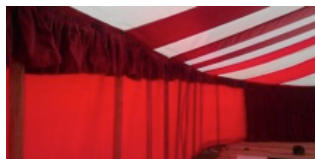

Realistically, you get one good use out of new carpet,

if it is salvageable we may keep it and use at "not so smart" events or you may keep it too!

Though we make every best effort, no matter which flooring used,  
**Pristine condition is only really possible with brand new stock.**

carpet and matting can be used for walkways.

as also shown in red carpet picture above.

**We have had every kind in the tents**

Twinkly Fairy Light led ones.

Colour Changing Led ones.

Plain brown parquet.

Home made. Simple or elaborate.

**What would you like?**

## WALKWAY / PORCHES

### Protect guests on the move!

Framework in metal, roof in white, no walls.  
in lengths 2m x 2m, 2m x 4m or 2x 6m  
with optional liner in roof.

can be attached/guttered to tent

As a stand alone tent this can be a long thin tent  
used to cover trestles tables, champagne for instance.

"Medieval Style" roof porches available now!

## Linked Tents.

We do our best to gutter tents when linking to try and avoid water ingress.

By adding a further tent to the straight sides of our oval tents you can  
expand the capacity considerably, or create new rooms.

Reception or Catering tents are often linked to the main tent.

Simple linkages included in the tent hire prices.

nb.. Water tightness cannot be totally guaranteed but we make best effort.

## Fire Exits

Very good idea at public events, with closed wall tents.

We have them in both Red and Yellow and in Red  
to match the different tents.

They operate with a rip cord and can be fitted with non-maintained lights.

## Clear-View Panoramic Window Walls !

If you have a nice view, or need people to see inside, or get more day light.

They are more fragile so cost extra £20 to replace a normal wall

*Walls on all tents according to preference and weather*

## Staging

Not currently in stock

recommended to keep low, due to pitch of roof..

Hired for you / self build / you arrange

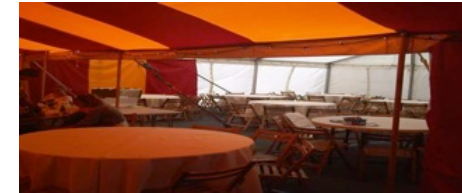

Using simple set-ups and incredibly full-on production...

Our Tents have played host to countless bands, Dj, theatre shows,  
Conferences, Opera, comedy, cabaret etc.

2m,4m,6m.  
£30-£50-£70.

Included  
By Request

FREE  
Included  
by request.

£20.00

## Furniture:

We only have a small selection as there is a massive range available and so it can be better to hire from specialists.

### CHAIRS

We have 200 fold up Samsonite chairs in **RED**, stock of 50 fold up Samsonite chairs in **grey/brown** if used in rows for audience seating, we can clip them together.

£1.50 each  
£1.50 each

### European Style wood plank tiers

**Tiered Circus Seats**, to fit up to 120.

The "Tiers of a Clown" create a "show-ring" by themselves and can be set up indoors/ outdoors, in full or in sections.

(We can supply a complete outdoor show ring, with all you need) Vintage & Old Fashioned, yet highly effective.

full set tiers £100-150  
single sets £10.00

coloured or natural

## **Seats**

Other quantities chairs available.  
During shows, children often sit on floor.  
plus standing at rear

## TABLES

hired in for you, trestles or 4, 5 or 6ft rounds (+ a few plastic tables and coloured cloths available free)

£6-8 each  
(approx)

## HEATING

1kw **electric heaters** with centre pole clamp  
ideal for smaller tents, or can be clamped on corner poles of pagodas or bigger;

£10 each

### **Thermostatically controlled**

Professional indirect ducted marquee heaters  
**spilt tube to spread heat / single tube smaller tent**  
**thermostatically controlled & only in use when needed**  
**or for smaller tent.. Diesel fired.**  
**(we can advise on your needs)**

Arcotherm.  
**EC 55, 55kw from £150**  
**average use £3-5 per hr**

Single or double tubes.

if operating for more than one night;

Spare fuel can be supplied in returnable jerry cans.  
**circa-£1 per litre.**

Arcotherm  
**EC 32, 32kw from £150**  
**average use £2-3 per hr**  
Single tube only

## **Heat!**

Please do not use a paraffin or gas fired space heater inside tents!

You could use oil-filled radiators but you'd need lots!  
There are small halogen electric heaters available but

But Indirect heaters are much more efficient and effective.  
Located outside tent, powerful and no fumes or CO gasses,  
We use oil fired/red diesel/ kerosene

NB; good 13 or 16amp power or generator is needed ,  
recommended min 6kw for EC32 and 8KW for EC55 for starter.  
running power needed is much less.

## LIGHTING and other electrical

There are rules and reg's concerning what gets used where...safety first!

**All our lighting is top quality!**

**As with all electrical kit, it is tested regularly and well maintained**

### FESTOON CABLES / STRING LIGHTS

**24v LED Cherry Lights.(clear covers 1 inch dia)** 20m **£30 each**

20m strings, 50 bulbs.(ultra-brite 24v, 0.2w)+ plus 230v to 24v transformer  
low power & running costs.(10w per string) 6 x 20m in stock 6 sets available  
perfect highlighters for ambient effect. Often used on top of wa IP68  
uses 24v transformers that can supply a number of strings. ambient

**230v. Coloured plastic covers. 3 inch dia** 25m **£30**

25 m string with 50 B22 bulbs. (using 230v, 15w halogen or 12v bulbs).

### Woodside Festoon: bright GLS bulbs, NO covers

#### Heavy duty 2 x 2.5mm rubber cable,

60w max bulbs indoors only on 10m short strings. 10m (10 bulbs) **£15**  
B22, Bayonet fitting 25w max (inside or out)  
usually 25w/15w golf balls bulbs or the below Led ones. 50m (50 x 15w) **£40.00**  
coloured / white / clear bulbs 100m (100x15w) **£80.00**  
230v running costs reflects the number/ type of bulbs  
care must be taken with normal gls bulbs as they are fragile  
these bulbs can be used with a dimmer

### Connectable Led Bulb Festoon Harness

LED; we tent do use these most of the time now.

10m (20 bulbs) **£15**  
An excellent robust system. Less fuss with bulbs. 50m **£50**  
230v but **LED BULBS. Very low power use.** 100m **£80**  
Plastic 1w led E27 screw fit bulbs in Warm White or  
**Coloured bulbs**, or if you request, **colour changing bulbs!** Wonderful lamps!  
10m strings, 20 lamps per string ie 1 lamp per 0.5m. (strings are daisy chained together)  
up to 200m can be daisy chained together from one source  
**warm white** bulbs give reasonable light, coloured are good as party highlighters.  
**Colour Changing Led Bulbs available now.**

### Icicle Lights.

Manufactured again By Woodside. 5m **£10**  
**LED** (Xmas style) 230v 20m **£40**  
4x 5m (160 lamps per 5m) daisy chained led. .

white bulbs on white cable.. Up to 16 sets/80m daisy chained on one power source.

*these are all sample pictures.*

*and all events end up being different!*

gls bulbs on top of walls,  
led bulbs on top of tent.

variety of colours available  
plus showing the colour change mode

the modern low power approach.  
Bulbs much stronger.

coloured bulbs are more for party decoration and not very bright.

we can easily supply;

**net lights, tea lights, chase lights, curtain lights, waterfall lights, glitter balls etc**

Plus a great range of wedding and event decorations( non Electric)

### **Is an electrician needed?**

NOT normally!

We can install electrics to BS 7909 and Bs 7671

Most of our installations are small and temporary  
but if obtaining power by opening up a household fuse box,  
then an electrician is required. We can supply the necessary kit.

The same may apply if using large generators.

gls warm white 15w  
a touch brighter than led, use more power though and  
much more fragile.

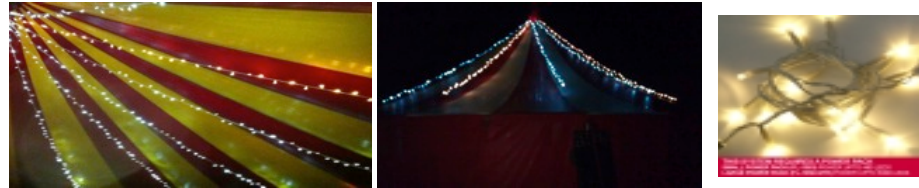

clear gls create  
more vintage look

**FAIRY LIGHT System,**

Safer 24v internal or external use, beautiful roof effect each string 6m, 60 Led's. uses 24v transformer power pack. With multi function.

Small power pack can connect up to 8 sets ( 480 Led's)  
 large power pack can connect up to 50 sets ( 3000 Led's)  
 lots of sets and various connectors available for multiple style set ups.  
 we have many many metres of this and can set it up in various ways.  
 We prefer cool white but many colours are available should you wish.  
 (also if you really want; we can supply in 230v version)

sample rig.  
 covering round end of tent.  
 8 strings+power £25.00

**Paper Lanterns**

We use modern NYLON paper lanterns  
 They are much more robust and can be used inside or outside  
 We stock colours to match the tents. In various sizes.  
 Or we can get you whatever colour you prefer.  
 230v, fitted with IEC connectors, B22 lamp holders usually with low energy lamps.  
 OR, they can be used with **battery operated Led's.** (handy in trees!)

example cost  
 cluster of 8 £25.00  
 fitted

**Chandeliers**

**Different!**

LED with very long cables from individual power packs.  
 six available

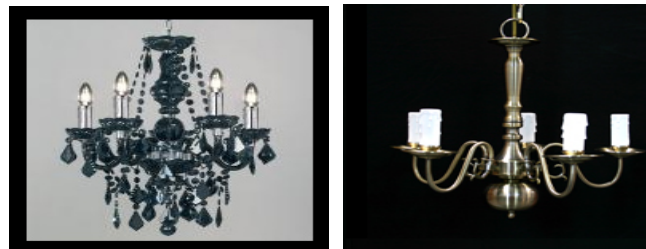

each £10.00  
 set 6 £50.00

**Chandeliers**

vintage/ old school/ traditonal...  
 Moulin style/ crystal and brass

each £20

**We aim to be creative with our lighting.**

Its good to think about what mood is required.  
 Installation ready for use and removal is included in the prices.  
 But this all has to be discussed. Ditto power supplies etc.  
 Standard old-school marquee packages may include chandeliers, pin spots and up lighters,  
 And if that's what you want we are happy to arrange it or  
 to add to our stock in order to create the right mood!

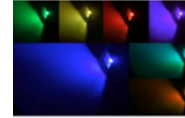

You can leave it to us.... or give us some ideas....or we can work with lighting specialists no problem.  
 below is some more of the kit we have and then there's the mobile nightclub we can create!
