'I don't often recommend people and organisations but for this one I'm going to make an exception. I would very much like to recommend to you Tim Jordan Grounds Maintenance Ltd. Tim and his staff have for the last 2 years been responsible for cutting our grass verges in Peacehaven and we regularly use his organisation to carry out a number of other jobs around the town.'

Their work is exemplary, no job is too small or too large and nothing is too much trouble for Tim and his team. He has an extremely hard working, committed and friendly team of staff on the ground and in the back office and I can without hesitation or reservation recommend Tim and his team to you – he always does a fantastic job for us.
