“Award Winning Restaurant”
Winner 2009 - Runner up 2010

Thailand is a country with a rich and intrinsic sense of the exquisite.

Perfection is sought in every aspect of daily life.

From the most sumptuous indulgences, to the most regular of everyday rituals...

Thai food is not just the care in the selection of fresh ingredients, the skills in balancing the contrasting flavours, or even the flare of presentation.

In truth, it is all these aspects. Plus the attention to detail that elevates Thai cuisine into an art form.

And nowhere else is Thai cuisine so beautifully represented than at **bangkok • lounge**.

There is no better place to experience the exotic flavours than at the **bangkok • lounge**.

We pride ourselves on the originality and freshness of our genuine Thai menu, created exclusively for the **bangkok • lounge** by our award winning Chef.

bangkok • lounge uses freshly prepared, natural ingredients for everything served, including herbs, fruits and plants that are native to Thailand.
