## NuovoTeam

### About NuovoTeam

NuovoTeam is an all-in-one employee app that helps organizations track and monitor their non-desk workers. NuovoTeam facilitates employee productivity tracking, communication and collaboration across your workforce. Monitor employee location, employee work hours with clock-in, clock-out, track work status and assign tasks, enable organization-wide unified contact management and make way for communication with Push-to-Talk (PTT), VoIP calling, instant messaging, video calling and group chats.
