These glamorous lashes will last up to 12 wks, the life of a natural lash. Individual lashes are placed directly onto your own to create longer, thicker and more volumised lashes. Infill's on the lashes are required every 2 to 3 wks to replace the natural lashes that are lost.

Initial Treatment (approx 2hrs)	£80.00
Infill Treatment (approx 30mins)	£30.00

HD Brows £25.00

HD Brows is a high precision procedure that transforms even the most over plucked brow into it's perfect shape, dramatically enhancing your facial features. The HD Brow treatment includes Tinting, Tweezing, Threading, Waxing, Eye brow pencil and Fresh mineral make-up to create a fabulous eye brow shape.

Please note a tint test is required 48 hours before this treatment can be done and a new tint test will need to be performed each and every time you book for this treatment. A tint test kit can be provided when you book the treatment.

Helpful Hints

Appointments
Please arrive in good time for your appointment. Late arrival will deprive you of valuable treatment time. As a courtesy to the next client your treatment time will end at the time originally scheduled.

Appointment bookings
We strongly suggest you make your treatment bookings 2-3 weeks in advance. We also insist that a deposit of £10 is required when booking any treatment/s of 75 minutes or over. This must be paid 48 hours prior to treatment. Deposits are non-refundable.

Cancellations
We offer a weekly cancellations list if your requested appointment is unavailable. This is suitable for clients who are available at short notice. Please note that like yours, our time is precious. We must therefore insist that 24 hours notice of cancellation or rescheduling of any appointment is required for ALL bookings. This will avoid a 25% charge of your appointment price being added to your next bill.

Mobile phones
In the interest of relaxation, we would politely ask that you either turn off your mobile phone or utilise the silent mode whilst undergoing salon treatments.

Gift vouchers
Gift vouchers are available in values of £5.00, £10.00 and £20.00 and can be redeemed against a wide range of treatments, you can also purchase a voucher for a specific treatment which will make a perfect gift for that special person. Vouchers are valid for a period of 6 months from date of issue and are non-transferable. Please quote voucher number when making an appointment.

Prices
Please note that all prices are correct at time of printing but are subject to change at any time, where changes in price are required we will give as much notice as possible.
