Helpful Hints

Appointments

Please arrive in good time for your appointment. Late arrival will deprive you of valuable treatment time. As a courtesy to the next client your treatment time will end at the time originally scheduled.

Appointment bookings

We strongly suggest you make your treatment bookings 2-3 weeks in advance. A non refundable deposit of £10 is required when booking any treatment/s of 75 minutes or over. This must be paid at the time of booking.

Cancellations

We offer a weekly cancellations list if your requested appointment is unavailable. This is suitable for clients who are available at short notice. Please note that like yours, our time is precious. We must therefore insist that 24 hours notice of cancellation or rescheduling of any appointment is required for ALL bookings. This will avoid a 25% charge of your appointment price being added to your next bill.

Mobile phones

In the interest of relaxation, we would politely ask that you either turn off your mobile phone or utilise the silent mode whilst undergoing salon treatments.

Gift vouchers

Gift vouchers are available in salon and online and can be redeemed against a wide range of treatments, you can also purchase a voucher for a specific treatment which will make a perfect gift for that special person. Vouchers are valid for a period of 6 months from date of issue and are non-transferable. Please quote the voucher number when booking your appointment.

Prices

Please note that all prices are correct at time of printing but are subject to change at any time, where changes in price are required we will give as much notice as possible.

Gratuities policy

Your personal recommendation is our best reward.

Opening Times

Please note opening times are subject to change and we can open for special occasions beyond opening hours (extra charges maybe incurred).
