Harcourts Hermanus

Harcourts Hermanus set foot in the Overstrand in August of 2017 and has grown exponentially, proving itself to serve both the community and its clients with excellence. Our team has one purpose in mind, which is to add value wherever we go.

We now have offices in Hermanus CBD, Onrus, Kleinmond and Gansbaai area as well. The Harcourts family has now grown to having more than 20 members! We specialise in Rentals and the Selling of Residential, Commercial, and Industrial properties. We also have a dedicated Business Broker on board.

Internationally, the Harcourts vision for 2020 is 'ONE TEAM - NEXT LEVEL', which inspires us to create an awesome client experience and to be courageous, and we constantly aim to bring that experience to life. We see ourselves as an approachable, perceptive, and honest partner, diligent about making sure that our clients' interests are served, and their expectations of real estate transactions are raised a notch or two.

Our mission is to create success for everyone who meet us, whether they be team members, business partners or clients. This culture of success rests on a strong company focus around our values and taking pride in high-quality work, striving to make a genuine difference, and aiming for excellence.

All our consultants are well trained and supported by a team with many years of experience in the property industry. With that, we can offer our clients a high level of personal and professional service. We are totally committed to the industry and working together to make the whole property experience easier, less stressful and far more rewarding.

Harcourts is one of the fastest-growing real estate groups in South Africa with 136 offices countrywide. We have over 6 700 sales consultants in over 900 offices in 10 countries worldwide, including New Zealand, Australia, Indonesia, Fiji, China, Hong Kong, Canada, South Africa and the USA.
