Your Tour Guide

I'm the owner of BOATING 4X4 CAMPING and your accredited tour guide. I've lived in the Bundaberg Region for about 8 years and in that time I've explored and fallen in love with the area and what it has to offer. I've been four wheel driving at a personal level for about 20 years in many parts of Australia and have gained extensive knowledge and experience of four wheel driving and offroad safety. Join me on a 4wd tour and I will guarantee you it won't just be a tour, it will be an offroad adventure!!
