Hello Clare,

Thank you so much for coming to our Christmas Party, you were amazing and the children loved you. When I get the pictures from the photographer I will send them to you once I receive them. As soon as Xmas is over I will be in contact about my daughter's parties. Hopefully you should also get some business from today as a lot of my friends were enquiring about hiring you so fingers crossed!

Kind Regards

"Hi,

just wanted to say thank you to Claire for a great party on Saturday. Beth had a super time and Claire made her feel very special. The children all seemed to have a good time and the feedback from parents confirmed this also. Claire was really good at controlling all 31 children throughout.

The party was great value for money; the children loved the prizes and ooh how they flowed! The parents who stayed couldn't believe I came across you on a Google search! John and I wouldn't hesitate in recommending you to anyone interested in a children's party"
