About us

Flashfx have been providing Licensed Firework Displays and Special Effects for over 25 years. We make extra effort to select only the Best Materials, even having some products specially manufactured or designed for us.

Flashfx are the Leading Company for Wedding Firework Displays in Norfolk, having provided many happy couples with the Ultimate Finale to their Special Day.

Flashfx have a wide array of public and private locations where we continue to please the audience, always at very competitive rates and without compromising quality or performance. We are flexible enough to accommodate almost every budget and continue to work closely with some of the Best Firework Manufacturers around the World to ensure our customers always get Quality at an Affordable Price.

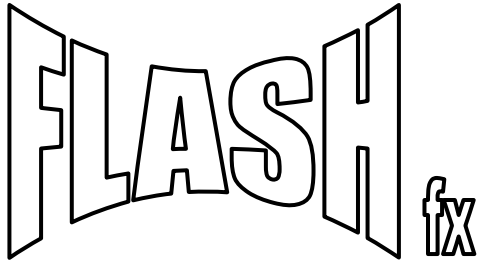

Flashfx undertakes all of their own risk assessments for any event it provides, has full public liability insurance cover and licensed to use category four fireworks (which includes mortar shells and larger calibre fireworks not available for the general public to use).

Flashfx insist that all firers undergo rigorous training and development before being allowed to handle licensed fireworks, seeing that paid for membership of any organisation does not give an indication of their capability, additionally we do not have any short cut towards becoming a **Flashfx** qualified pyrotechnician. The safety of every individual including clients and spectators is taken very seriously at every event we provide, no matter what size and value it may be.

Flashfx have also have retail Category 3 fireworks available all year round through partnership arrangements, and an expanding network of outlets stocking the best quality products from leading brands such as Kimbolton Fire-

works and Brothers Pyrotechnics, with a wider range of larger products that cannot be found in supermarkets or smaller retail outlets around Bonfire Night. We also supply several small to medium display organisers, offering special deals on good quality fireworks. Advance orders are welcome to avoid disappointment, especially with popular product lines.

Flashfx Gold Wedding Package

The Flashfx Gold Wedding Package consists of mostly category four licensed fireworks and several of these would be colourful and impressive mortar shells which are only available to licensed operators. The cost for the gold wedding package is £995 and includes all site visits, risk assessments and insurance cover.

Flashfx Platinum Wedding Package

The Flashfx Platinum Wedding Package has several Bigger and More Impressive Fireworks; including many more mortar shells, some Larger 5" & 6" size, which are identical to those used at Major Public Displays. The cost for the Flashfx Platinum Wedding Package is £1,395 and includes all site visits, risk assessments and insurance cover.

Flashfx Diamond Wedding Package

As the name suggests this is a show that you wouldn't believe is possible for the money, and includes some special effect fireworks such as mortar shells which burst into a big red heart in the sky. The cost for the Flashfx Diamond Wedding Package is £1,895 and includes all site visits, risk assessments and insurance cover.

Flashfx Royal Diamond Jubilee Package

Due to the popular demand of our Special 25th Anniversary Package in 2011 we have decided to create a package to celebrate the Queens Diamond Jubilee in 2012.

Valued over £3,500 this will be available throughout 2012 at £2,795 making a Massive Saving of £795!! Many big calibre mortar shells and spectacular effect multi shot cakes have been assembled to mark this special year. All site visits, risk assessments and insurance cover are included in the price.

We also undertake bigger shows for a variety of events, often in excess of £5,000 and all are bespoke designed to suit the venue and occasion.

A deposit equating to 25% of the value of any display is required to secure a specific date, and the full balance is payable four weeks before the display unless otherwise agreed.

Licensed Professional Firework Displays require advance planning and we are frequently booked more than a year in advance for certain dates (especially August, September and November), please bear this in mind if you are aiming to have a display to avoid disappointment.
