Wine List

FishWorks celebrates the freshest, seasonal seafood. We receive daily deliveries from Brixham and South Coast fish markets. By working closely with our suppliers, we ensure our seafood is honestly and sustainably harvested.

Our wines are carefully selected to complement the freshest seafood by our great friend Tim McLaughlin-Green, sommelier, wine consultant and owner of Sommelier's Choice. Tim was short-listed for the Harpers & Queen Sommelier of the Year award.

His philosophy is to search for and work with family owned wineries, producing high quality wines in small quantities aiming for something really special.

Enjoy!
