

Unique fireworks for a unique day

FUSE
Fireworks

There are few opportunities in life when you can have your very own fireworks, so make your special occasion truly unique with an amazing firework display from Fuse Fireworks.

We have a range of firework display packages to select from, all of which can be crafted to suit you and your individual ideas and wishes.

Whichever package you select we guarantee your display will leave a lasting impression in everyone's memory as a truly unique and unforgettable moment.

If noise is an issue at your venue then not to worry, all our display packages can be modified to use low noise fireworks.

Priceless Platinum

Starting price - £2,000 including VAT

Our Priceless Platinum displays are totally unique.

Your celebration, your music, your fireworks – everything we do is inspired by you and your dream of the perfect day.

You select the music you want to hear, the colours and effects that you want to see, and how long you want your fireworks display to last.

Your ideas, coupled with our creativity; and your unique fireworks display will be talked about for many years to come.

The sky really is the limit!

Something a little different

- to make your day really special!

How about...

- + an avenue of glittering silver fountains as you drive away from the reception
- + a shower of rose petal confetti as you enter the marquee
- + a waterfall of silver stars outside the windows as you take the first dance
- + a finale of red heart shaped fireworks

These are just some ideas previous couples have dreamt up and we've turned into magical reality.

Tell us what you are dreaming of and we'll deliver that unforgettable magical moment.
