Drinks Menu

Welcome to our Summer drinks list

The upcoming weeks are an exciting time for us. Mason's Avenue has undergone a radical face lift - the hoarding comes down and the doors will be opening at the beginning of August. I'm sure you'll love the new look C&B as much as we do. Slightly less corporate and more adventurous: it has an open kitchen, cask ale cellar and a walk in wine room which you can taste and browse in, as well as host your very own dinner there.

Our menu has changed, with our food a little healthier and sourced with ingredients from carefully selected farmers and producers. We won't be forcing the healthy stuff down your throat though! We've kept a few of our infamous 'blotting paper' dishes to make sure your evening drinking sessions are given a little cushion to sustain you for that extra few hours!

We have also seen the launch of our new website. Still on the same address (corney-barrow.co.uk), check it out to see all the exciting events we have going on. You will find a link to our 'I love Britain' campaign with events such as a beach party with sandcastle building competitions and a bucking seaside donkey at Paternoster Square and a Take That concert (it really will be Gary and Robbie I promise..... Well, I promise they will look the same!) at another of Corney & Barrow's venues; Devonshire Terrace. Go onto our website now and register to make it onto the VIP guest list for the grand opening party at C&B Masons Avenue!

We hope you all have a fantastic summer, and don't forget to pop into any C&B Bar to buy a bottle of Lanson bubbles throughout July and August - you'll get an awesome Union Jack Champagne cooler sleeve with it!
