Vroni's

the wine list

Asked on what occasions
she drank champagne.
Mme Lily Bollinger replied:
"I drink it when I am happy,
and I also drink it when I
am sad. Sometimes I drink it
when I am alone. In company
I drink it for sure. Even when
I have no appetite I like to
take a little glass of it. And
when I do have an appetite
of course I reach for it. But
otherwise I do not touch it -
unless I am thirsty."
