## ***Camden Town Hells Lager – 330ml £4.40***

Jasper Cupaidge at Camden Town Brewery has been brewing traditional ale for many years at his flagship pub, The Horseshoe in Hampstead, and has recently moved to a brand new brewery in Camden Town. Inspired by the Pils and Helles styles of Germany, Camden Town Hells lager is a straw-coloured dry lager: crisp and refreshing with an elegant balance between body, bitterness and aroma.

## ***Bullbegger Cider – 500ml £5.95***

From a dear friend Nick Smallwood, who has bottled a gem! The local villagers in Lamyatt in Somerset have formed a co-operative to produce their own dry and medium cider. It's named after the Spirit that's said to roam nearby Creech Hill at night and look down on the village. The locals all help harvest the ancient varieties of local apples in Ern's orchard on Apple Day, and sell the resulting tippie at local fetes and festivals. They also produce a limited number of bottles, which are available to a lucky few by private negotiation. As far as Nick can make out, the varieties in the orchard include Bulmers Norman, Yarlington Mill, Michelin, Sops in Wine, Jersey, Dabinett, Somerset Red Streak and Brown Snout. Their simple, old fashioned methods produce small quantities of clean, crisp and fresh tasting cider of the highest quality, which is then matured in old rum barrels to create its distinctive flavour!

## ***Sipsmith Gin and Vodka – Gin and Tonic £5.25; Vodka and Tonic £5.00***

It didn't take us long to choose our house pours. Sipsmith distillery is located just over 3 miles away in the heart of Brackenhurst village, in Hammersmith. They're a small independent distiller crafting truly artisanal spirits. They are distilled on a handmade copper-pot still, the first to launch in London for 190 years! The master distiller, Jared Brown, crafts each product by hand, in genuinely small batches - never more than 500 bottles a time, often considerably less. This delivers stunning spirits that are smooth, full of character and intense flavour.

## ***Somerset Cider Brandy – 35ml 3 year old £3.70; 20 year old £8.60***

Cider Brandy (similar to French Calvados) had not been distilled in England for several hundred years until the mid 1980's when Somerset Cider Brandy started production in Burrow Hill. Apples have been grown and cider has been pressed here for at least 150 years. It is this soil, climate and the apple varieties that give this cider brandy its unique quality.

Julian Temperley ferments his cider in oak vats in a wooden-slatted cider house. Somerset Royal Cider Brandy is aged for 3 years in oak barrels, with a fine spicy bouquet and a fresh apply palate, it slips down the throat like a dream, but with plenty of kick. Made from a variety of apples, including Royal Somerset, each year produces a different subtlety. The 15-year vintage has only recently been released and it is smoothly polished with good complexity and depth.

## FRANCE WHITE

### ALSACE

- 2008 Riesling 'Terroir', Zinck** £33.45  
A racy, mineral and highly focused Riesling which benefits greatly from 4 years age. Dry and aromatic with gooseberry, lime, spice and an evolving, richer 'secondry' palate. Particularly good with raw fish, white fish and shellfish.
- 2002 Gewurztraminer, Domaine Rolly-Gassmann** *Biodynamic* £35.45  
Two important traits of Pierre Gassmann's wines: a rich, complex style and the ability to age magnificently. The key to this '02 Gewurztraminer's true greatness is its intense palate balanced supremely by acidity, texture, minerality and freshness.
- 2008 Pinot Gris Grand Cru 'Kessler', Dirler-Cadé** *Biodynamic* £47.25  
It's easy to overlook Pinot Gris nowadays (or Pinot Grigio as it is known in Italy), but do so at your peril. This organic & biodynamic grand cru Pinot Gris is simply brilliant. Amazing richness, texture, complexity, length & purity - what joy!

### LOIRE

- 2010 Vouvray Sec, Raimbault** £29.45  
A delicious dry Vouvray great for early drinking. From vines with an average age of 25 years old grown on limestone & flint clay soils. Grape bunches are pressed whole, and once fermented the wine is aged in stainless steel & cement until spring.
- 2009 Vouvray, Le Clos de La Meslerie** *Organic* £47.25  
Peter Hahn's attention to detail and respect for his vineyard & the people that work with him results in a breathtakingly fine, handcrafted wine. Produced in tiny quantities using organic methods, it is fabulously complex with rich, honey-tinged fruit and a vein of pure, gunflinty minerality which gives the sensation of a drier finish. Very special indeed.
- 2010 Muscadet de Sèvre et Maine Sur Lie, Domaine la Haute Févrie** £22.50  
From vines with an average age of 35 years, this superb Muscadet is dry, zesty and fabulously expressive. Contact with lees further enhances the depth & texture, and the palate has great balance of pure fruit and good minerality.
- 2010 Touraine Sauvignon, 'Domaine de la Croix Bouquie', Alpha Loire** *Bottled on site* £17.95  
A classic Loire sauvignon with aromas of blackcurrant leaf & elderberry, and a fresh palate of gooseberry & fruit salad with clean acidity and a long, aromatic finish. Wonderful wine making from this eco-friendly vineyard.
- 2011 Sancerre, Domaine Vincent Delaporte** £35.00  
Delaporte's Sancerre is blended from 28 vineyard plots, which gives the wine finesse, aromatic complexity and superb minerality. Aged for 3 months on it's lees, it is one of the best Sancerres we have tasted, and has great ageing potential.

### BURGUNDY

- 2010 Petit Chablis, Billaud-Simon** £34.25  
Challenge your conceptions of 'petit' Chablis as this is better than most Chablis that we have tasted in the last year. This vineyard, scandalously close to a *grand cru* site, produces pure, aromatic, focused & lipsmackingly drinkable Chardonnay.
- 2008 Chablis 1er Cru 'Vaucoupins', Patrick Piuze** £49.25  
Negociant Patrick Piuze goes a step further than simply sourcing grapes by involving himself in vineyard management. This 1er Cru is a triumph: complexity & texture with intense minerality and super-focused pure apple fruit.
- 2008 Bourgogne Aligoté Raisins Dorés, Domaine Michel Lafarge** £33.00  
An usual Aligoté, made from a strain of the grape which produces smaller grapes with a distinctly golden hue. Ample acidity as expected, but with a more generous & open palate, pure & ripe citrus fruit and good texture & complexity.

- 2008 Bourgogne Blanc ‘Les Herbeux’, Domaine Michel Caillot** £35.45  
 A single vineyard Bourgogne Blanc made from vines just south of ‘La Barre’ in Meursault. Indeed it bears many of the hallmarks of Meursault –rich lemon & fine oak and a complex palate with definition & structure, rich fruit and a fresh finish.
- 2009 Mâcon-Prissé ‘Le Clos’, Domaine des Valanges** £28.45  
 Excellent fresh & pure Chardonnay with a wonderful balance of spiced apple, lemon rind & mineral acidity. From a small single vineyard and a producer with only 11 hectares of vines on limestone soils at an altitude of 200-300 metres.
- 2010 Pouilly Fuissé Vieilles Vignes, Domaine la Soufrandise** £40.70  
 A beautiful Pouilly Fuissé with that all important balance between pure, fresh & punchy fruit and richness, texture and fine-quality oak. Francoise & Nicolas Melin’s old-vine Chardonnay from the awesome ‘10 vintage is Burgundy heaven.
- 2008 Saint-Aubin ‘La Fontenotte’, Marc Colin** £47.25  
 St Aubin tends to be highly underrated, and this brilliant example from Marc Colin proves how good it can be. Intense yet elegant, with restrained oak and a ripe & textured palate. Only 10,000 bottles of ‘La Fontenotte’ are produced annually.
- 2009 Chassagne Montrachet 1<sup>er</sup> Cru ‘Clos St Jean’, Michel Niellon** £90.50  
 Michel Niellon’s production is tiny, and the quality extremely high. The 2009 ‘Clos St Jean’, from a higher location in the village, has supreme elegance with amazing depth. The finish is rich, clean & mineral-tinged with a hint of hazelnut.

*SAVOIE & JURA*

- 2010 Roussette de Savoie ‘Cru Frangy’, Domaine Bruno Lupin** £28.45  
 From one of the best ‘crus’ in Savoie, located close to the Swiss border near Lake Geneva. Made from the Altesse grape (aka Roussette), it has hints of pear & gingerbread and is soft, fresh & delicious.
- 2007 Arbois Traminer, Stéphane Tissot** *Biodynamic* £36.45  
 Stéphane Tissot calls this ‘Traminer’, as the Savagnin grape is a cousin of Gewürztraminer. Following malo-lactic fermentation, it is aged on lees for 16 months. Citrus aromas, complex fruit & minerality and a clean & expressive finish.

*BORDEAUX & SOUTH WEST*

- 2010 Vin de Pays du Gers Blanc, Lesc (Gascony)** £15.95

- 2010 St Joseph Blanc, Pierre Gaillard (Rhône)** £43.75  
 This St Joseph, unlike most others, is made entirely from Roussanne, helping to give it the acidity it needs to lift this beautifully rich, textured & aromatic wine. Vines on granite soils adds minerality and helps develop its fresh character.
- 2007 Condrieu Pierre, Benetiere (Rhône)** £57.95  
 Pierre Benetiere’s beautiful Condrieu has a floral nose with hints of honeysuckle & beautifully elegant flavours of apricot, pear and spice. A wine which is modern in style, silky, concentrated and perfumed, without being over extracted.
- 2010 Côtes de Provence Blanc ‘Valerie’, Saint André de Figuière (Provence)** £29.45  
 Cuvée ‘Valerie’ is made predominantly from Provence’s classic white variety Rolle (aka Vermentino), with the addition of a little Semillon & Ugni Blanc. It has delicate floral & citrus aromas with good weight, full & pure fruit and a fresh finish.

- 2011 IGP d'Oc Rosé, Domaine Cazal Viel (Languedoc)** £20.50
