## **FOCUS ON ENGLAND**

An intrepid tour of England's vineyards last year revealed some very special wines that we are delighted to present to you this season - a stunning sparkling wine, a range of fresh aromatic whites and the juicy Woolley Red. In addition we also have a great lager, cider, gin, vodka & cider brandy, all sourced from small producers hailing from different parts of England.

### Camden Town Hells Lager – 330ml £4.40

Jasper Cupaidge at Camden Town Brewery has been brewing traditional ale for many years at his flagship pub, The Horseshoe in Hampstead, and has recently moved to a brand new brewery in Camden Town. Inspired by the Pils and Helles styles of Germany, Camden Town Hells lager is a straw-coloured dry lager: crisp and refreshing with an elegant balance between body, bitterness and aroma.

### Bullbegger Cider - 500ml £5.95

From a dear friend Nick Smallwood, who has bottled a gem! The local villagers in Lamyatt in Somerset have formed a co-operative to produce their own dry and medium cider. It's named after the Spirit that's said to roam nearby Creech Hill at night and look down on the village. The locals all help harvest the ancient varieties of local apples in Ern's orchard on Apple Day, and sell the resulting tipple at local fetes and festivals. They also produce a limited number of bottles, which are available to a lucky few by private negotiation. As far as Nick can make out,

the varieties in the orchard include Bulmers Norman, Yarlington Mill, Michelin, Sops in Wine, Jersey, Dabinett, Somerset Red Streak and Brown Snout. Their simple, old fashioned methods produce small quantities of clean, crisp and fresh tasting cider of the highest quality, which is then matured in old rum barrels to create its distinctive flavour!

#### Sipsmith Gin and Vodka - Gin and Tonic £5.25; Vodka and Tonic £5.00

It didn't take us long to choose our house pours. Sipsmith distillery is located just over 3 miles away in the heart of Brackenbury village, in Hammersmith. They're a small independent distiller crafting truly artisanal spirits. They are distilled on a handmade copper-pot still, the first to launch in London for 190 years! The master distiller, Jared Brown, crafts each product by hand, in genuinely small batches - never more than 500 bottles a time, often considerably less. This delivers stunning spirits that are smooth, full of character and intense flavour.

#### Somerset Cider Brandy - 35ml 3 year old £3.70; 20 year old £8.60

Cider Brandy (similar to French Calvados) had not been distilled in England for several hundred years until the mid 1980's when Somerset Cider Brandy started production in Burrow Hill. Apples have been grown and cider has been pressed here for at least 150 years. It is this soil, climate and the apple varieties that give this cider brandy its unique quality.

Julian Temperley ferments his cider in oak vats in a wooden-slatted cider house. Somerset Royal Cider Brandy is aged for 3 years in oak barrels, with a fine spicy bouquet and a fresh apply palate, it slips down the throat like a dream, but with plenty of kick. Made from a variety of apples, including Royal Somerset, each year produces a different subtlety. The 15-year vintage has only recently been released and it is smoothly polished with good complexity and depth.

# **VINOTECA'S WINE LIST**

# Summer 2012

We are very excited about our new list this Spring, and relieved that we have completed it before the opening of Vinoteca Soho! We believe that we offer the ultimate selection of hand-picked wines from the best vintages, regions and countries across the world, all at the keenest prices. We now also buy direct from producers in the Loire, Burgundy, Bordeaux, Rhône and Provence, enabling us to cut out the middle man and offer exciting wines at prices which are, quite simply, unbeatable.

Amongst the new additions this season are: a must-try 10 year-old Alsace Gewurztraminer, a revelatory Petit Chablis, a terrific 22 year-old sweet Loire Chenin Blanc, two astonishingly different Riojas from the 1996 vintage, proof of the seriousness of whites & reds from the Etna region of Sicily, a Pinot Noir-like Greek red, a welcome return of aged Hunter Valley Semillon, the best Marlborough Sauvignon Blanc we've tasted for years and a class-leading Patagonian white blend. Kids in a sweet shop!

We hope you enjoy drinking these wines as much as we have enjoyed choosing them.
