

Our Story

Welcome to Tahbilk Winery.

You have just set foot onto the Estate of the oldest family owned winery in Victoria and one of the oldest wineries in Australia. Established in 1860, and purchased by the Purbrick family in 1925, Tahbilk has a long and rich history.

To experience the Tahbilk wine offering make your way over to the historic, original Cellar Door and underground cellars, listed by the National Trust of Victoria, a short 5 minute walk from the Café. Here you can immerse yourself in history.

At Tahbilk we believe in knowing where our produce comes from. We work hard with our suppliers to get the very freshest produce to your plate through our evolving menu. Our guarantee to you is to use the very best ingredients we can find, cooked with both expert skill and love.

We are able to source directly from the grounds of Tahbilk Estate lemons, oranges, grapefruit, quinces, cumquats and figs!
