

GRAND CINEMA HOUSE MADE SPECIALTIES

FRESH FUDGE

ONLY \$6.34 ½ LB!

Our fudge is made fresh at Grand Cinema and some flavors take a day or two to set-up. Therefore, all flavors may not always be available depending on recent sales. We try to have the most popular flavor selections available but if we're out of your favorite, it just gives you a good opportunity to try a new flavor! Enjoy a half pound of your favorite flavor! Since it's made fresh and some flavors are seasonal, not all flavors will be available at all times. Also available in ¼ lb Sampler packs. Choose four of your favorite flavors!
