

# ORGANIC PANELA

by

## RAW GOODS

Raw goods organic panela is an evaporated whole sugar cane juice sourced from the Valle Del Cauca region of Colombia. Panela offers unmatched nutritional value and flavour compared with raw or white sugar because the molasses is not separated from the sugar mass during processing. Panela is used as a sweetener and to enhance the flavour of coffee, sweet and savoury dishes.

CERTIFIED ORGANIC BY ECOCERT AND JAS.

Organic Panela in Glass Jar 125g  
Organic Panela 750g  
Organic Panela 5kg  
Organic Panela 20kg
